

FVMBA

MEMBERSHIP SUPPORTER PROGRAM

Building trails. Building communities.

What is a Membership Supporter?

A Membership Supporter is a local person(s), or business, that provides a unique contribution to the FVMBA.

Trail sports are extremely popular and growing rapidly, which has created an incredible opportunity to market your business or service directly to the local trail community. The Fraser Valley Mountain Bike Association has launched the Membership Supporter Program whereby businesses provide exclusive offers or special discounts to our members. In return for your generosity, the FVMBA will promote your offer(s) to our local riders and trail lovers!
